

F3 Individual Presentation Practice

Date: 2 Mar 2018 (Special Learning Day) (1:30-3:30 pm)

Venues: Rm 302, Rm 304, Rm 305, Rm 306, Rm 307

Aim: Help students speak fluently and confidently in public

Details of the activity:

Each F.3 student will be assigned ONE topic below:

1. An environmental problem that affects Hong Kong
2. Ways to help solve climate change
3. Who you would like to invite to speak at Careers Day
4. My dream job
5. A learning experience
6. Do you think people will be healthier in the future
7. The greatest invention of all time

You should prepare a two-minute presentation well in advance, and it's best if you can practise it at least several times. During the activity on Mar 2, you will have to make a speech in front of an audience consisting of students from different classes and some English teachers, who will give you feedback afterwards.

Your performance will be rated and the mark will count towards the final score in Paper IV on your report card. So please take this activity seriously.

To perform well in your presentation, you'll have to

- speak loudly, clearly and accurately
- express ideas in detail and use a wide range of vocabulary and language patterns
- have eye contact with the audience (i.e. you can hold your note cards, but don't look at the cards all the time.)
