

English Speaking Day Secret Angels Luck (18/10)

English Ambassadors, English Club Committee members & Career Team Helpers

My mission:

- ☺ Enhance the WYY English-enriched environment
- ☺ Encourage WYY students to employ English in their daily conversation
- ☺ Help other schoolmates to speak English more confidently on the topics related to job hunting

My role:

- ☺ Go around the school campus and give the **Thumbs-up Tokens** to the schoolmates if you have overheard that s/he has spoken English for at least two complete sentences beyond the lesson time. (Do adopt low profile. Quota: 5 Ss, preferably **junior Ss**; anytime and anywhere on the day).
- ☺ Say *"Congratulations! Keep speaking English with your peers in your daily life! If you can get one more token, you may go to the Candy Redemption Area in the covered playground after school. Good Luck."*
- ☺ In case somebody comes to you and asks for a token, simply invite them to take part in the **English iDo Game**.

Option 1: Read aloud 5 words from the **Job Hunting Vocabulary Bank**.

Option 2: Share with me your **Dream Job**.

Option 3: Share with me your **parents' / 2 relatives' jobs**.

- ☺ Help anybody in need to know more about job hunting round the clock.

So, get prepared and make sure you know the pronunciation of all the words in the vocabulary bank. Visit the English iZone for reference (acquire Mr. Lyons' native English tone) and study well beforehand.

Enjoy being the Secret Angels!
