

Ringing.....(A phone is ringing)

On the phone

The boy: Hello??

The girl: I'm Mary.I have something to tell you.

The boy: Dear, what happened?

The girl: I'm gonna talk to you face to face. See you at the coffee shop at 3p.m.Bye!

The boy: Okay....

At the coffee shop

The boy: Hey, what's wrong,dear?

The girl: Don't call me 'dear'.....

The boy: Why? Are you mad at me? Have I done anything wrong?

The girl:I'm so sorry.....I met another boy and I fell in love with him.....I think we should break up now!

The boy: Who's he? Why am I not the man your heart is missing?!

The girl: He is better than you. And I'm bored when I'm with you!

The boy: But we were so sweet! You told me you loved me. Don't you remember?

The girl: Sorry.....(head down) I don't want to waste your time.....I'm not good for you.....

The boy: You are good! You are the best! Don't leave me alone!(pull the girl's hand)

The girl: Why don't you understand?! I don't love you anymore! We're over! We won't have anything to talk about anymore. Bye!

(Leave)

The boy: No! Don't leave me alone please.....Oh! My heart is broken into pieces.(hands on the chest) Baby I don't wanna say goodbye to you.....

You're the one who set it up! Now, you're the one to make it stop.

I should not believe in love again....It's an illusion!

I should try to forget you... but there is something left in my head.....Baby, I can't forget you.....

Windy:

This song is about a man and a woman. They fell in love. But later they broke up because the woman fell in love with another man. She asked her boyfriend to forget all about her, but her boyfriend couldn't do it and he always missed her. What a sad song. What do you think about the song, Suki?

Suki:

After listening to this song, I have learnt we should treasure others, especially our friends and family members because they are very important to us. How about you, Carrie?

Carrie:

I think the story of this song is very touching. I have learnt the same thing as you, Suki. I think we should love our friends and family because they will always stay with us. They will never leave us.
