

F.2 LAC CLASS DRAMA (Juvenile Addictions)

Scenario 1

In the bedroom

Mother: Hey! (the boy' name)! Why don't you get up? It's time to go to school. Hurry up!!

Father: Why is he still sleeping? Shouldn't he wake up now? Mum, is he sick?

Mother: (feeling puzzled) Let's check it out.

(Mother and father come toward the boy)

Son : (Coughing seriously) Mother, I am in pain. (coughing with blood)

Father: Oh! That's blood! You are coughing with blood! (showing the tissue with blood)

Mother: Let's go to the hospital now.

In the hospital

Doctor: Hey boy, what's wrong with you?

Mother: My son is coughing with blood. Will he die?

Doctor : (Checking up) Can you tell me what you have done recently?

Son : (Retrieving his memory)

In the playground (a few months ago):

A gang of bad friends: Hey! Do you want to play basketball with us?

Son : Sure! (after playing basketball for two hours)

Bad friend 1: Hey! You look sad.

Son: (sign) My parents give me a lot of pressure on my study. This makes me so upset.

Bad friend 2: I have something 'good' that can make you feel happy and all sadness will disappear. Let 's try! (look like a devil)

Son: Really? I want to try, please give me some.

(the boy smokes with the gang)

In the hospital

Son : After that, I am addicted to smoking. I smoke a pack of cigarette per day.

Doctor : (Pointing at the X-ray) You see, your lung tissue is destructed by the poison from the tar in your cigarette. If you don't stop smoking, you will have a great chance of suffering from lung cancer.

Mother: My boy, you are so young. I don't want you to die so early. (crying)

Son: I am sorry, Mum. I will give up smoking. I promise.

Slogan 1 : "Don't smoke, It's not a joke." (a few students come up with a banner)

Scenario 2

A few months later, in the street.

Son : (Get drunk. Singing and walking dangerously along a road. Vomiting and fainted)

Bad friend 3: Oh! Are you ok? (shaking the boy) Let me send you to the hospital.

In the hospital

Mother and father : My boy! My boy! (crying)

Doctor : Can you tell me what you have done before fainting?

Son : (Retrieving his memory)

In the street

Girl friend : Please give me a cigarette.

Son : Sorry! I have already given up smoking. You'd better give up too. It's harmful to our health.

Girl friend : (slap the boy) You are a coward. You are not a good boy friend. Let's break up. (run away)

Son : No! (knee down) Give me one more chance. (crying)

Bad friend 3: Hey! You look sad. Let's drink and forget every sadness. (Give him a bottle of beer)

Son: You are my buddy. (drink the beer)

In the hospital

Son : After that, I have drunk 10 cans of beer and felt very dizzy.

Doctor : Overdrinking will cause short term effects such as vomiting, passing out and affect your body coordination. It is very dangerous. Long term excessive drinking may cause liver damage and even cancer.

Mother: My boy, you are so young. I don't want you to die so early. (crying)

Son: I am sorry, Mum. I won't drink anymore. I promise.

Slogan 2 : "Drinking isn't cool. You will act like a fool." (a few students come up with a banner)

Scenario 3

A few months later, in the karaoke lounge.

Bad Friends 1,2,3,4: (sing) Happy Birthday to you.

Son: Thank you buddy.

Bad Friend 4: Hey! You are already 16. You are not a kid. Let me give you a birthday gift. (a pill)
You will feel very "high" after taking that.

Son: No! I don't want to be addicted and cause serious health damage. I won't make my mum disappointed again. Sorry! My mum and Dad is waiting for me at home to celebrate my birthday.
(run away)

Bad friend 1,2,3,4: Silly boy! Coward!

Slogan 3: "Get rid of drugs before they get rid of you!" (a few students come up with a banner)

At Home,

Mother and Father: Happy Birthday my dear son.

Son: I am 16 now. I promise I will stay away from my bad friends. I will start a healthy life - no drugs, no smoke and no alcohol.

Mother : Good boy. You are so mature.

Father : We don't have to worry about you again.
